> CHEMISTS KANANGA OF JAPAN A NEW TOILET WATER.

Our extensive relations have allowed us to thoroughly investigate the value of these exotic flowers, and this has led to our introducing the delicious perfume distilled from the Kananca of Japan, of which we slone are the original importers, and from which we prepare Kananga Water, a flue Extract for the handkerchief, and a variety of preparations for the toilet. KANANGA WATER is a delightfully agreeable 28.15.0, (b) 211.5.0, (c) 213.2.4, (d) 227.0.8 toilet fluid possessing the most refreshing pro-

Added in small quantities to the water used for washing, it invigorates and whitens the skip. at the same time rendering it not only soft but firm and velvety while imparting the sweet fragrance of the Kananga flower and a most charming sensation of comfort and freshness. A bath taken after a hot dusty day, or exposure to the sun and the fatigue of perspiration, becomes a real luxury by the addition of a little Kausnga Water, whose hygienic properties and southing action on the skin cannot be ULSTERS. Ladies' SEAL PLUSH JAC

HONGKONG, OCTOBER 4TH, 1890. tine against Shanghai the other day a special interest attaches to the remarks to antiquated, worn-out, and obsolete systemience of Peak residents attending the pertems of quarantine and of cordons. The formance: way to protect themselves from cholera or any epidemic was to keep their homes clean | -"The yearly conclave or celebration of the Chito see that the water they drank was pure, continue for four days, in Chinatown. The that their food was good, that they lived Chee Kung Tong Society, at 69, Spofford alley, wholesome lives, and to keep their minds and the Ping Ting Tong Society, on the corner President said Mr. McCallum, informed him he from panic." Sir Joseph's long experience principally interested in the event and although red to. He (the President) agreed with Mr. in India and his position as Surgeon-General the societies are rivals, their members belong to Ede that a Committee should be appointed to and President of the Medical Board at the Chinese Masonic Order. This event is nake further inquiries and draft by laws for however, not a novel one. Quarantine was definitely-pronounced egainst by the English school of medicine some years ago, and on very good grounds. The question is one of vital interest to a great shipping port like that of Hangkong, where the imposition There were present. Hon. S. Brewn, Presidof quarantine on vessels arriving from neighmore prejudicial effect on trade than in the case of places less dependent on their communications. If qua antine afforded any real protection, then the law of self-preserv tion would dictate its enforcement in the

If Amoy or Swatow were declared injected the inconvenience would of course be somewhat greater, while in the case of Macao or Canton it would be so serious that the vernment would hardly venture to proclaim either of those ports whatever evidence they might have of the presence of infectious

diseases there, although the danger of the isease being communicated to this colony would be greater than from more distant ports, such as Shanghai or Nagasaki. regulations are no doubt useful in so far as they ensure inspection of vessels arriving from infected ports by the Health Officer. and the segregation of the sick, if there are any, the disinfection of the vessel. and so on, but detention for any period longer than is necessary to effect these objects is utterly us less. It is true that this opinion is not shared by Continental authorities. Some excuse for the strong steps in the matter, the Secretary's report abould predisposition of the latter to rely on quarantine regulations, a contemporary suggests, "may perhaps be found in the fact that the germ theory of disease has been mainly elucidated and established by French and German investigators. But, on the other hand, it is to these very men, more than to other inquirers, that we owe the demonst tion that it is to the environment that the pathological germ mainly owes its malignant whether if thus disposed of they would cause character. And in any case the utter hopelessness of arresting the march of the in- in other respects and suggested they be approved finitely little by such barbarously clumsy 123 devices as those condemned ought to be apparent to authorities familiar with microbiology." It is on sanitation, on the cleanliness of our homes and surroundings, on the purity of our food and water supply that we that the outfall was in the shallow creek must depend for protection against epidemic, beyond Ab-rdeep. land not on quarantine and cordons. From the "Report on Sanitary Measures in India" nothing could make it worse. we learn that all the great fairs held in the North-western Provinces and Oude during OUR NEW FACTORY has been recently refitted the years 1888.9 were free from cholers, and with automatic Steam Machinery of the this fact was directly traceable to the precau-

til the three days shall have been completed; veyor found the buildings to be in accordance. Mr. Fuinting Is that a European bakery I

The SECRETARE now stated that the houses by a Chinese firm. The Wanobai bakery is Nagasaki, there could be no detention at all had been inspected and the necessary contribute conducted by Chinese but is owned by a Public DEFECTIVE HOUSE DESIMS.

Further particulars asked for at the last meeting respecting the defective condition bonse drains at Nos. 68 to 80, Queen's Read West, Nos. 237 and 239. Hollywood Road, and Nos to 19 Lyndhurst Terrace were laid on the On the motion of Mr. Ens it was agreed that

the owners of the houses in question be called pon to put the drains in a sanitary condition. THE DISINFECTION OF INPECTED PREMISES A report by the Secretary on the by laws governing the disinfection of infected vessels and premises was laid on the table. The SECRETAETA explained that while the removal of a diseas d person was compulsory the disinfection of the premises afterwards could only be done at the option of the occupier. Mr. Ene ead it seemed rather odd that nan who did not wish to have, his premises dis infected could not be compalled to have them

when the matter came up for discussion some time ago they found there were practical difficculties in the way which prevent d their mak ng strong r by-laws respecting this matter. It was agreed that b fore taking any further be circulated among members.

A PAPER MILL AT ABERDEEN. The draipage plans of the new paper mill at berdeen were laid on the table, together with a eport by Mr. Cooper. Sanitary Surveyor. wh stated that he had ex-mined the plan and had sen Mr. Orange, of the firm of Dauby. Leigh and (range, the architects. The building was to be used as a paper manufactory, and the whole of the waste products were supposed to be disbarged into the hullah. He was not sufficiently acquainted with these waste products to say nnisance, and he therefore submitted the matter to the Board. He had no objection to the plans on the owners undertaking that in the event of the outfall becoming a nuisance they would take the necessary steps to abate it. The PRESIDENT said the Sanitary Surveyor

Mr. Cooper, was in attendance and could probably give the Board some information on the point Mr. COOPE : having explained the plans stated The President said be thought the sanitary condition in that neighbourhood so bad tha

Hon. Ho Kat said he hought there was no necessity for adding to the evils that already existed there. The opinion was expressed by most of the members that the waste products from a pape mili could not fail to become a muisance if dis-

charged into a shallow creek where there was no tidal operent but only an ebb and flow. Mr. FRANCIS enquired whother there was an practicable method of dealing with the refuse of the proposed factory so as to prevent its be ing a nulsance. He thought they might grant permission for the erection of the proposed establishment if the owners would give the undertaking suggested by the Surveyor. After some further discussion it was resolved to reject the plane as unsuitable and to ask the owners to suggest an improved outfall.

DRAINAGE AT OUARRY BAY. The drainage plans of certain newly erected ouses at Quarry Bay were submitted, together. with a report by the Sanitary Surveyor to the to the orders of the day he wished to lay on the effect that the drainage from the cookhouse and table the plans of the new slaughter house and bath-room were shown to discharge on to the sheep and pig depots. beach; he thought the adoption of this plan extended into at least 3 feet of water. objectionable; wherever they had been tried in case with the cattle denot? Hongkong they had proved a failure. It was resolved that the owners be informed. the drain must be carried out into 3 feet of water

THE CONDITION OF BAKERIES. The following report by the Superintendent ras laid on the table :--The following remarks on bakeries refer particularly

clean condition. Arrangements of fittings somewhat unsatisfactory. The drainage seems defective. Price pot until he (Mr. Francis) pointed out that that listener's suspicions, if he has any, as to the was not so. 2.-Wanchai Bakery, Wanchai Road. In a cleanly condition. Arrangement of fittings good. Drainage seems fair. Price of bread unknown.

8.—Situated at No. 65, Wanichai Road. In a cleanly condition. Arrangement of fittings so ewhat unsatisfactory. The sleeping room above the bakery. Drainage evidently bad. Price of bread 4 cents per lb. 4.—Situated at No. 9, Tai Wo direct. In a cleanly condition. Arran ement of fittings fair y estisfactory. Drainage evidently defective. Price of bread

those for the non-Chinese section of the commu-

5.—Situated at No. 57, Queen's Road East. In a 7.—Nos. 106 and 139. Rollywood Road Nos. 22. 25, 28, 42, Upper Lascar Row, and No. 4. East Street. These are all ground floors of ordinary Chinese dwellinge and without considerable alterations upanitable for bakeries. They are all comparatively amail businesses. Aithough not pronouncedly, filthy none of them are in the cleanly condition in which food prenaring establishments should be kept. The drainage at all of them appears to be very defeative. The

persons employed in these bakeries appear to make them their dwelling houses. Price of bread 4 cents In addition to these bakeries every eating house is a kind of bakery for the supply of bread for the Chinese community and may, I think, be fairly of assed as The foregoing remerks are general and it is not ret ined in the hands of the Board but with the money coming to him as he was expecting a

Act of 1882 for the regulation of bakeries indicates able that it will at all times by not to use a say in the matter. He strongly objected to be all right when it came. Popow in his stronger term, the originator of indifferent health and delegation of authority to the Precident or conversation with the photographer had told Ede suggested that a committee should be ap wrong the Board could not formally censure the intention of putting him off his guard, but pointed to draw up, by-law- for the regulation them, whereas they could censure the Secretie photographer did not pay much attention to enforce by laws then Mr. Ede's suggestion could officer.

or when, and the report, was so indefinite Superintendent and revoke them at pleasure. in its terms that no safe conclusions con be drawn from it; the Board wanted to know in what respect the places were unsatisfactory, in order that it might make provision for the r amendment. The Acting Registrar-General said he spreed with Dr. Cantlie if it was found the Poard had power to make by laws. The wake further inquiries and draft by laws for submission to the Board.

The PRESIDENT asked if any reply had been The SECRETARY said no reply had been re- much too hot for his chestnuts when he seeks to to haur fire, and a few orroumstances having

pointed, as suggested, it would have to be a the average school boy by opining that "coddled" Russian, and to another that he was an Committee to examine for themselves into the means "made much of." To polite ears the American, but neither will recognise him. He state of the hakeries, because if they were instruct. word has no other meaning. It is pretty evident went to one of the Consulates at 10 am; on ed to frame by laws they would bare nothing that the Mail is not content with making much Sacurday, the 27th ult, apparently to give himto go upon until they had, so examined.  $^{\prime}COUNT^{\prime\prime}$ $^{\prime}POPOWS$ $^{\prime}ADVENTURES$ IN SHANGHAI.

The N. C. Daily News says-The public career of the notorious "Count" Popow is now temporarily interrupted and the community of Shanghai are to be congratulated that he is now Mr. FRANCIS said he did not mean actual behind the bars of a cell at the Central Police physical co-roion, but occioin or inducement Station, as he was arrested by the Police at 10 of some kind exercised after the manner well a.m. on the 27th ult. Popow arrived at Shangknown to Government officials. If the people had in the Tuisang under the name of C. Keller, were told the law required them to send their and soon set about making preparations to open cattle there most of them would do so. Coer- his campaign. He is a linguist and speaks cion must have been used at one time at all eleven languages, conversing fluently in any one events, because Mr. Ladds showed in several re- of them, and has a very plausible way with him. ports that according to his conception of the law so that when he comes forward with some kind

bona fires of the speaker are lulled .. Popow, New Malwa however, has not done much mischief here so Old Malwa... and that for four years he had been an agent of the Russian secret police, but that the Russians were had paymasters and owed him eleven-months' paywhich he would re eive shortly. Further that

he had an inheritance of 11,000 roubles in the and asked to see the manager. Being shown Mr. Eph said be would prefer to see the power in he saked if the bank had day advice of some remittance. He explained to the banker that been there too and informed the manager that he was going to buy him (the photographer) out. Popow did not make any signs of paying for the business so the negotiations fel through, but he made use of a letter the photo-

grapher had written him to get a suit of clothes and other things out of a Chinese tailor. whom he persunded that the letter was a guarautee for payment. That, with the addition Hollow of a small sum of money, appears to have been all he made out of that transaction. He soon. started on another scheme of a -imilar nature to the first. He went to a well known Chirese photographer and asked him what he would take for his establishment. Terms having been arranged, preparations were made to transfer the lease and keep on the employes, but after several days he saked the photographer for \$25 on the pretence of paying for a telegram, and got it. He made a great pretence during his ettempts to swindle people of sending and receiving telegrams and occasionally produced a Baremeter DEAR SIR, Brownie idly plays with a fire roll of telegram forms. Then things commenced as one of his nationals, but advised him, it he wished to give himself up to do so to the Police. The ever vigilant Jones was handy, having dogged Popow's footsteps, and arrested him on a criminal charge and took him to the Central

INFORMATION FOR WORKING WOMEN.

It is a boast often heard that there are a greates

variety of occupations open to women nowadays erica on that one, but only a rubbishy lot of than ever before. Yet the fact is not without its drawbacks, for women are thus, tempted into scores of positions for which they are not fitted An Italian serouset, named Bortletti, made en with much consequent misery. Thousands of girls, especially in America, sit all day hammering at type-writers and telegraph instruments, beight of about a thousand feet, the balloon, stand on their feet for a dozen hours at a stretch which was inflated by hurning straw, took fire, in shops and stores, and bend over deaks at some sort of writing, till their muscles and head sohe the fown, and instantly killed his body belsg together. In both England and America they has been tero erect miss selected and and

mountains designation in a femiliary bad at mosphage and for small wages. When they break down, the expense of having physicians, coupled with other costs of illness, is apt to consume their little-savings. Therefore any information which will shable them to letter such an outgo must be welcomed by the host of working

On this point a recent letter received by the may throw a may of light. The writer mys "When a woman has to depend upon Her dingers solely for a living it is a terrible thing to fall Ill, even though it may be only for a les days or weeks This was my own situation when I was first taken bad about ten years ago. It began with what I shall have to describe as a heavy. sinking feeling at the pit of the stomach, and semistion of giddiness; and faintness whilst at m als. On rising from the table I would often he attacked with polpitation of the heart, which beat so I didn't know what to do with myself. Some days I would not est a mouthful of solid food, so much afraid was I of the pain it gave me I have gone without food for three consecotive days and nights, till I thought I must surely starts. At the same time the desire to est was so great I could have clutched cageriy at the hardest piece of stale bread. I got so bad I had to lie in bed for days, and grew so week could searcely raise myself on my albows. consult d doctor after doctor; I think I must have had not less than a desen altogether. One called my illness by one name, and the others by other names. No two of their agreed as to what it really was that affelt me. None of them did me any good, though my money went fast enough to av them, and to buy the medicine they

"One day I saw in the Christian Age an so count of Mother Seignl's Curative Syrup. Tet Sp. of prom., nom. how could I believe in it! I had trusted and hoped, and been deceived so often. Unless. 11 p. ot. prem., now which seldom happens - people get the right \$50 \$42, non- sellers med cine at first, it is a wonder to me how they ever get it at all. What made me feel that Mother seigel's remady might be of some use I don't know but I think it was because it was discovered and made by a good woman who had been cured by it herself. At all events I sent for it and began to take it. Up to the time when I write this letter I have taken it seven weeks. and the change it has produced has astonished all who know me. I he pain about my heart is entirely gone, and I gain strength every day." Nors - the writer of the above letter requested that her name should not be published We feel bound to respect her wishes, although we have no doubt she will consent to our giving \$50. 50 pg ct. dis., sellers her name and address to any of her own ser who may desire to write to her either directly or through us.

A somewhat similar case is that of Mrs. Annie West, of Manor Road, Bournemouth, Hants, who writes under a late date: "I desire to inform you of my wonderful recovery after taking Mother Seigel's Curative Syrup. I was so low as to be unable to rise from my bed, and thought I should never stand on my feet again. But by the biegging of God, and the use of the Syrup, am so far recovered as to be able, to return to my work. I am a poor widow and have to work for my living, and have on one or two pocasions sold some of my things to buy Seigel's Syrup. For years I could not keep any food down and suffered from terrible headsons. Now that I am well once more. I shall soon earn back a hundred times over the price of the good medicine that drave away my complaint." | 886-4

second class. People going backwards and for- to you. wards to Australia and india and China are generally well off, and I fancy that the second will send you a cheque across from my office. It class are generally nurses, sugineers going out was the same employer, of course, who sent your to join a ship, and that cort of thing. "That will do very well for us, Mr. Harbut. Morson." Annette has been a servant for years, and will!

not mind it, and certainly what is good enough for her is good enough for me; besides I should feel much more comfortable there than I should ! to waste; it is Annette's hard-earned money we he does not know in the least who his client is." and he would recognise my name at once.

name, Miss Corbyn. to take any name I like until I can prove my passages by the Mandalay, which sails next glass. right to be called Corbyn.

Constance looked back. saveral times opposite our lodgings.

the driver, just as the man behind came up. "King's their own names?" Cross, drive sharp." He looked round out of the window when he got to the top of Chancery and Madamoiselle Renan." recognise the face. He turned to the cabman: shead of that hansom behind if you can. You carry the thing through."

there you can draw up and get some beer." cab stopped. "Go into that shop and buy a pair | tion of the business."

of gloves. Drive on, cabby, as sharp as you like." moment Robert Harbut ran into the public. "Where is be now?" bouse at the corner, and stood looking through "I had a letter from him this morning; he is copy of this certificate of birth?" the partly closed door. A moment later the cab worrying himself about this thing immensely; Let me see. It was a young man. He men- "Yes, well, I don't want to stop for that. I came along; its pace had evidently been greatly he told me he intended to stop at Folkestone on tioned while I was copying the registers of the want to be off at once. I want to be out of it increased the moment the four-wheeler turned his way back from Paris, and to have a look at birth that he happened to be staying down here, all. Therefore I will get you yourself to draw the corner. The young barrister gave an angry the register himself, and try to ascertain from and as he was going to be married shortly, and

"Confound the fellow, he will guess the cab has stopped, by its being so short a distance man lent me, but could not perceive any differ- name was Armstrong, I remember. He was gularly drawn up and send them out to me to

catch the four-wheeler long before it arrived at mind it looked old, the clergyman and the clerk the Yorkshire Grey. He turned sharply into both thought that it was fresh, but I really do the shop where the ladies were.

"every moment as of importance." crossing the road they entered an omnibus. "I think we have thrown them off the scent | in the morning." now, Miss Corbyn. I have no donot by this James Ferris had just finished his dinner for, though she went through the marriages time the fellow knows that the cab is empty." Had Robert Harbut remained another mo- later Philip Clitheres was shown in. ment watching the hansom instead of entering

ling to the driver, and hurry back towards the thing gone wrong with you?" corner of Chancery-lane. fine fellow," he muttered between his lips, "I ten years since Ferris had last seen him. There of it," the clerk admitted. "It was not for a unable as he was to guess at the reasons by guessed that was a false direction and that you was an expression of intense pain on his face, the minute no nor half a minute; she was sitting on which Philip was influenced. were trying to throw me off your track, one light had gone from his eyes, his month was set this chair looking at the book and I was stand. "You will sell my hunters and the carriage could see with half an eye the cab must have and hard. He made no direct reply to the quee- ing behind her when she said, there is someone stopped directly it got round the corner."

On issuing out from the P. & O. office after this time in low tones, for he was absolutely of the perch to look. There was no one there. engaging berths by the Mandalay for the follow- awid at the look upon the young fellow's face. ing Thursday, Rob rt Harbut put the ladies into a Brixton omnibus in Gracechurch street, and then proceeded straight to the office of Ferris tone. "I will tell you presently all I can"

and Son.

that " has been followed ever since she came to worn out; it will do you good." Engand. I was inclined to put it all down to Philip mechanically did as he was told, took book on the shelf and thrust the leaf under her it, or, at any rate, could give evidence that would fancy, but to-day I found that she was right. the glass in a shaking hand, raised it to his lips, cloak. It would not take ten seconds: You go far to prove it." This beats me altogether. Who in the world can and swallowed the contents. It was five minutes see by these other out leaves how strongly and before he spoke. Then he said, in a quiet, dull hastily it was done. There is no longer any with a new light in his face. "That decides "I can't tell, Robert. Those enquiries at Oxford | tone :-

puzzle me altogether, but this is extraordinary." "Well, we know that at Oxford it was some- beyond this: "I have renounced my right alto- in it and for yourself, My. Truscott." one who said he had been sent down by Wilkins' gether and wholly to the Corbyn estates in favour "I see it is," the clerk said in great distress, it down when Harbut told me of it.
